Subject: Staff Retention Plan

Policy #5000-35

INTRODUCTION:

Powerful national research reinforces the importance of highly skilled, well-trained, and diverse educators. This begins, of course, with ensuring teacher and school leader effectiveness. Further, studies indicate that for students of color, having a teacher of color during their educational experience can have a positive impact on improving student performance in reading and math, increasing the likelihood that Black students are identified as gifted, reducing suspension rates, decreasing dropout rates, and improving students' hopes of attending college. Moreover, providing students with exposure to teachers and school leaders of color serves the important function of demonstrating from a young age to both students of color and white students that people of color can and should hold positions of authority in our society. ¹

“It is important for children of color to see people like them in places of power and leadership so that they can aspire to those positions.”—Veronica/ New York City school student.¹

Research finds that nationwide the average charter school loses between 20 to 25 percent of their teachers each year. For new teachers, the studies show that the attrition rate is 40 percent annually. Since Iftin is urban public charter school, its attrition historical data indicate that Iftin is doing much better retention rate than the average charter school of its size and similar demographics. However, Iftin is committed to making as much efforts as humanly possible to retain its effective leaders, teachers and other staff members.

As such Iftin Board of directors understand the critical role that strong teachers, staff, school leaders and other professionals play in students' success which is central to closing achievement and opportunity gap for students at all levels as studies show. Iftin charter school serves the most vulnerable who need stable and effective teachers and staff that would make the maximum positive impact on student learning and are driven to make a difference for their students.

Iftin Board is therefore committed to establishing this plan of retaining its effective school leadership members, teachers, staff and other professionals in order to provide our students a high-quality education that prepares them for college, career and civic life.

OVERVIEW OF THE RETENTION PLAN

Iftin is putting in place effective strategies to retain its workforce with the following targeted actions in conjunction with our bargaining agreement with our certificated teaching units:

1. Provide continuous support and mentorship to the leadership with NCUST's high performing urban school model.
 2. Require leadership to make uninterrupted efforts to increase teachers' satisfaction with working conditions, salaries and benefits according the bargaining agreement scales, and professional learning opportunities.
 3. Establish clear, written expectations for effective teaching and train teachers on these expectations; establish a teacher evaluation system with regular classroom observations that include feedback around these clear expectations. Create a professional development plan based on areas of improvement identified through evaluations and teachers' self-assessments feedback.
 4. Create a system to keep effective and top teachers.
 5. Create an exit feedback survey for staff members who choose to not return for the next school year to analyze their reasons for leaving the school and make a reasonable plan based on the common areas of concern identified.
-
- 1) Iftin Board recognizes that effective leadership creates a positive school culture where staff satisfaction is a top priority. Thus, Iftin has partnered with San Diego State University' National Center for Urban School Transformation to provide an ongoing training and mentorship to the school leadership. NCUST has committed to provide 12 hours in a month of individualized mentorship, training and professional development to the CEO, the principal, the instructional leader and operations manager (the Leadership Team) in order to make Iftin one of the highest performing schools in the nation. According to NCUST, leading schools to become places where all demographic groups of students 1) benefit from a positive transformational culture, 2) have access to challenging academic curricula, and 3) receive effective instruction that results in engagement and mastery in not easy. Even the most energetic, creative, and ambitious leaders cannot lead a school to excellent and equitable learning results without the effort of many others, including teachers, counselors, secretaries, custodians, nurses, administrators, parents/family members, community-agency staff, and students. School leaders, working solo, will not be able to establish the school characteristics or improvement systems necessary to transform their schools. Urban school leaders will not generate excellent and equitable learning results unless they influence a critical mass of the school community members. As such Iftin is committed to retaining its staff by creating a positive school culture where all members feel valued, respected and their needs met.
 - 2) Iftin Board requires that the leadership team make uninterrupted efforts to increase teachers' satisfaction with working conditions, salaries and benefits according the bargaining agreement scales, and professional learning opportunities. Iftin leadership team will make every effort to support new

¹ <https://seeourtruth-ny.edtrust.org/wp-content/uploads/sites/9/2017/10/See-Our-Truth.pdf>

teachers by providing them ongoing coaching and professional developments that meet their needs. Iftin has a policy to pay the new teachers' BTSA (Teacher Induction) by supporting its new teacher to clear their credential and improve their teaching strategies. Iftin teachers chose this year a committee consisting of three elected teachers who will help the admin team develop an evaluation system that is fair and tiered and based on individual teachers' areas of improvement and then Iftin will provide an ongoing training and professional development based on those areas identified. Iftin is one of the few charter schools that its certificated staff has a union that protects their rights in terms of the working conditions as well as their salary scale and benefits based on negotiated fair compensations. The Board respects teachers' rights of organizing and fair representation and is committed to respecting such rights. Teachers are also provided leadership roles in the areas of their choices in committees such as a) Iftin advisory committee; b) curriculum, instruction and PD; c) culture and climate; d) community and communications; and e) data and assessment. Iftin also created Instructional Leadership Team (ILT) consisting of three vertical team leaders and the leadership team and they are responsible in creating better working conditions for the teaching staff.

- 3) The Iftin Board requires the leadership team to establish clear, written expectations for effective teaching and train teachers on these expectations. These expectations may change from year to year depending on the areas of focus; however, teachers are communicated at the beginning of the school year and they are trained on these identified expectations. Here are this year's teaching expectations:

- Shows consistency in grades and grade policies; shows evidence of integrity in the assignment, grading consistency, and fairness of homework.
- Selects, stores, orders, issues, and inventories classroom equipment, materials, and supplies.

4. If the Board recognizes that it is very hard to replace the effective and top teachers who are the backbone of the school and as such directs the school leadership to come up with effective and systematic ways to identify, recognize and retain those teachers by implementing the following research-based ways:

1. **Tell great teachers how much you value them.** Identify the teachers who are most critical to your school's academic success and spend time with them. Tell them you appreciate what they do for students and make sure they know they play a vital role in the success of your school. ^[L]_{SEP}
2. **Tell great teachers that you want them to stay.** Check in with teachers early and often about their plans for the next year. Keep in mind that many teachers use the winter holidays to think about what's next, so block off time after Thanksgiving to tell top teachers how much you want them to return. Ask them about their own interests and concerns, and if they are considering other options, ask what you can do to convince them to stay. ^[L]_{SEP}
3. **Help top teachers grow professionally.** Get to know their interests and development needs and work together to develop a plan for them to reach the next level. The plan should include the teacher's short- and long-term goals, resources to help the teacher achieve those goals, and a series of development opportunities to support the teacher's career growth and increase their impact. These might include content specific trainings or opportunities to work with expert teachers throughout the

district. Revisit the development plan frequently while also providing positive and critical feedback following observations and walkthroughs. ^{[[L]]}_{[[SEP]]}

4. Ask top teachers for feedback about how you can better support teachers and students. Ask for specific feedback about how you can improve your school's culture and be a stronger instructional leader. Listen to their answers and let them know what you'll do differently as a result. ^{[[L]]}_{[[SEP]]}

5. Make it hard to leave your school. Look for ways to make life easier for your top teachers – whether it's excusing them from entry-level professional development or allowing them to keep their room from year to year. ^{[[L]]}_{[[SEP]]}

6. Put top teachers in charge of something important. Invest top teachers in the school by involving them in decision-making and inviting them to join your leadership team. If your best teachers are interested in expanding their influence, leverage them for leadership responsibilities rather than overloading them with administrative responsibilities such as running Scantrons. ^{[[L]]}_{[[SEP]]}

7. Reach out to top teachers with support and encouragement when they need it most – not just during Teacher Appreciation Week. Keep in mind that recognition from students means the world to top teachers. Look for ways to help students ¹show their appreciation for what teachers have done for them. ^{[[L]]}_{[[SEP]]}

8. Pay attention to school culture and address concerns that could drive away great teachers. Use in-service time at the start of the year to rally all teachers around a clear and specific definition of excellent teaching and a set of goals for improving the school's climate and culture. Revisit these goals regularly in staff meetings and check in with teachers about how to make the school a better place for teaching and learning. ^{[[L]]}_{[[SEP]]}

9. Don't let success be a secret. Set aside 5 to 10 minutes in staff meetings to publicly celebrate teachers who have done exceptional work in the classroom or achieved a notable milestone with their students. Congratulate them and tie what they're doing to the school's goals and vision for great teaching. ^{[[L]]}_{[[SEP]]}

¹ https://tntp.org/assets/teacher-talent-toolbox-resources/Planning_Guide_-_Teacher_Retention.pdf

10. Tell great teachers that you appreciate them. If you already told them how much you value them, tell them again. Great teachers who regularly hear encouraging messages from their principal plan to remain on their campus for nearly twice as long. ¹

In conclusion, Iftin charter school Board is committed to retaining its staff, especially the leadership and certificated and will do whatever in its power to ensure that top and effective teachers stay at this school where they are making real difference in the lives of the most vulnerable and neediest students in the nation. We will continuously support our staff both financially and morally as much as feasible and we are pleased that this school year all of our certificated staff returned except one teacher who moved out of the state. This shows that our efforts in the last year is working and we will continue to provide our leadership the resources they need to retain our staff and provide them ongoing support.

Issuance of a purchase order or payment pursuant to this Price Quote, or usage of the products specified herein, shall be deemed acceptance of such Terms & Conditions.

Terms & Conditions

1. Scope. Amplify Education, Inc. ("Amplify") and Customer wish to enter into the agreement created by the price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote") and these Customer Terms & Conditions, including any addendums hereto (this "Agreement") pursuant to which Amplify will deliver one or more of the products or services specified on the Quote (collectively, the "Products").
2. License. Subject to the terms and conditions of this Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicenseable license to access and use, and permit Authorized Users to access and use the Products solely in the U.S. during the Term for the number of Authorized Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized User" means an individual teacher or other personnel employed by Customer, or an individual student registered for instruction at Customer's school, whom Customer permits to access and use the Products subject to the terms and conditions of this Agreement, and solely while such individual is so employed or so registered. Each Authorized User's access and use of the Products shall be subject to Amplify's Terms of Use available through the Products, in addition to the terms and conditions of this Agreement, and violations of such terms may result in suspension or termination of the applicable account.
3. Restrictions. Customer shall access and use the Products solely for non-commercial instructional and administrative purposes of Customer's school. Further, Customer shall not, except as expressly authorized or directed by Amplify: (a) copy, modify, translate, distribute, disclose or create derivative works based on the contents of, or sell, the Products, or any part thereof; (b) decompile, disassemble or otherwise reverse engineer the Products or otherwise use the Products to develop functionally similar products or services; (c) modify, alter or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent or disable any security or digital rights management device, procedure, protocol or mechanism in the Products; or (f) permit any Authorized User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title and interest therein to Amplify. The Products and derivatives thereof may be subject to export laws and regulations of the U.S. and other jurisdictions. Customer may not export any Product outside of the U.S. Further, Customer will not permit Authorized Users to access or use any Product in a U.S.-embargoed country or otherwise in violation of any U.S. export law or regulation. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

Amplify Products are protected by patents (see <http://www.amplify.com/virtual-patent-marking>).
5. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer shall be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.
6. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported by Customer within 60 days of receipt.

7. Account Information. For subscription Products, the authentication of Authorized Users is based in part upon information supplied by Customer or Authorized Users, as applicable. Customer will and will cause its Authorized Users to (a) provide accurate information to Amplify or a third-party authentication service as applicable, and promptly report any changes to such information, (b) not share or allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized Users.

Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how and trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that Customer is subject to federal and local laws relating to the protection of personally identifiable information of students ("PII"), including the Family Educational Rights and Privacy Act ("FERPA"), and that Amplify is obtaining such PII as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Subject to the terms and conditions of this Agreement, Amplify will not take any action to cause Customer to be out of compliance with FERPA or applicable state laws relating to PII. Amplify's Customer Privacy Policy at <http://www.amplify.com/customer-privacy> will govern collection, use, and disclosure of information collected or stored on behalf of Customer under this Agreement.

10. Customer Materials. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at <http://www.amplify.com/customer-requirements>.

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-

identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.

Terms & Conditions

1. Scope. Amplify Education, Inc. ("Amplify") and Customer wish to enter into the agreement created by the price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote") and these Customer Terms & Conditions, including any addendums hereto (this "Agreement") pursuant to which Amplify will deliver one or more of the products or services specified on the Quote (collectively, the "Products").
2. License. Subject to the terms and conditions of this Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicensable license to access and use, and permit Authorized Users to access and use the Products solely in the U.S. during the Term for the number of Authorized Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized User" means an individual teacher or other personnel employed by Customer, or an individual student registered for instruction at Customer's school, whom Customer permits to access and use the Products subject to the terms and conditions of this Agreement, and solely while such individual is so employed or so registered. Each Authorized User's access and use of the Products shall be subject to Amplify's Terms of Use available through the Products, in addition to the terms and conditions of this Agreement, and violations of such terms may result in suspension or termination of the applicable account.
3. Restrictions. Customer shall access and use the Products solely for non-commercial instructional and administrative purposes of Customer's school. Further, Customer shall not, except as expressly authorized or directed by Amplify: (a) copy, modify, translate, distribute, disclose or create derivative works based on the contents of, or sell, the Products, or any part thereof; (b) decompile, disassemble or otherwise reverse engineer the Products or otherwise use the Products to develop functionally similar products or services; (c) modify, alter or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent or disable any security or digital rights management device, procedure, protocol or mechanism in the Products; or (f) permit any Authorized User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title and interest therein to Amplify. The Products and derivatives thereof may be subject to export laws and regulations of the U.S. and other jurisdictions. Customer may not export any Product outside of the U.S. Further, Customer will not permit Authorized Users to access or use any Product in a U.S.-embargoed country or otherwise in violation of any U.S. export law or regulation. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement

in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

4. Reservation of Rights. SUBSCRIPTION PRODUCTS ARE LICENSED, NOT SOLD. Subject to the limited rights expressly granted hereunder, all rights, title and interest in and to all Products, including all related IP Rights, are and shall remain the sole and exclusive property of Amplify or its third-party licensors. "IP Rights" means, collectively, rights under patent, trademark, copyright and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer shall notify Amplify of any violation of Amplify's IP Rights in the Products, and shall reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see <http://www.amplify.com/virtual-patent-marking>).

5. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer shall be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

6. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported by Customer within 60 days of receipt.

7. Account Information. For subscription Products, the authentication of Authorized Users is based in part upon information supplied by Customer or Authorized Users, as applicable. Customer will and will cause its Authorized Users to (a) provide accurate information to Amplify or a third-party authentication service as applicable, and promptly report any changes to such information, (b) not share or allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized Users.

8. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how and trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that Customer is subject to federal and local laws relating to the protection of personally identifiable information of students ("PII"), including the Family Educational Rights and Privacy Act ("FERPA"), and that Amplify is obtaining such PII as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Subject to the terms and conditions of this Agreement, Amplify will not take any action to cause Customer to be out of compliance with FERPA or applicable state laws relating to PII. Amplify's Customer Privacy Policy at <http://www.amplify.com/customer-privacy> will govern collection, use, and disclosure of information collected or stored on behalf of Customer under this Agreement.

10. Customer Materials. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at <http://www.amplify.com/customer-requirements>.

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.

AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-

identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.

Subject to the terms and conditions of this Agreement, Amplify will not take any action to cause Customer to be out of compliance with FERPA or applicable state laws relating to PII. Amplify's Customer Privacy Policy at <http://www.amplify.com/customer-privacy> will govern collection, use, and disclosure of information collected or stored on behalf of Customer under this Agreement.

10. Customer Materials. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. 13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. Terms & Conditions

1. Scope. Amplify Education, Inc. ("Amplify") and Customer wish to enter into the agreement created by the price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote") and these Customer Terms & Conditions, including any addendums hereto (this "Agreement") pursuant to which Amplify will deliver one or more of the products or services specified on the Quote (collectively, the "Products").
2. License. The Products and

derivatives thereof may be subject to export laws and regulations of the U.S. and other jurisdictions. Customer may not export any Product outside of the U.S. Further, Customer will not permit Authorized Users to access or use any Product in a U.S.-embargoed country or otherwise in violation of any U.S. export law or regulation. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported by Customer within 60 days of receipt.

7. Account Information. For subscription Products, the authentication of Authorized Users is based in part upon information supplied by Customer or Authorized Users, as applicable. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that Customer is subject to federal and local laws relating to the protection of personally identifiable information of students ("PII"), including the Family Educational Rights and Privacy Act ("FERPA"), and that Amplify is obtaining such PII as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Subject to the terms and conditions of this Agreement, Amplify will not take any action to cause Customer to be out of compliance with FERPA or applicable state laws relating to PII. Amplify's Customer Privacy Policy at <http://www.amplify.com/customer-privacy> will govern collection, use, and disclosure of information collected or stored on behalf of Customer under this Agreement.

10. Customer Materials. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at <http://www.amplify.com/customer-requirements>.

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD PARTY CONTENT OR SOFTWARE INCLUDED IN

PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.

ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. **Limitation of Liability.** IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. **Term; Termination.** This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. **Miscellaneous.** This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.

REVISED: 9/15/20

SUBJECT: Safe Reopening and Operation of the ICS

PAGE: 1 of 2

The health and safety of all students, teachers, staff, and the school community are of primary importance. The Board of Education has broad authority to take all measures necessary to ensure the safe operation of schools, including, but not limited to, implementing safety measures and distance learning, and eliminating technological disparities.

The Board of Iftin Charter School recognizes that the safe reopening and operation of the school must take into consideration health and safety measures provided by national, state, and local health officials, and will be largely dependent on local public health conditions.

For schools to safely reopen and allow students, teachers, and staff on school sites, protective measures must be taken and all schools and offices shall be required to follow recommended sanitation protocols in accordance with published guidelines and practice physical distancing. Schools shall take measures to limit campus access and detect sources of COVID-19 or other infectious diseases.

The use of face coverings by students is strongly encouraged for students in grades kindergarten through 2, and required for students in grades 3 through 8. Continuing use of face coverings shall be consistent with the California Department of Public Health (CDPH), and other local and state school reopening guidelines. Students who do not have personal face coverings shall be provided with face coverings by the school at no cost. Guidelines shall be developed for the use of face coverings by all students including those with special needs and have identified medical concerns. Measures shall be taken to avoid and mitigate any unintended consequences of implementing any safety precautions.

Staff shall be required to wear face coverings on campus for their own protection and to protect the health and safety of students and other staff members. Personal protective equipment (PPE) shall be required for specific job functions and distributed to staff in accordance with board policies, laws, administrative regulations, and applicable collective bargaining agreements.

Students and staff who exhibit signs or symptoms or COVID-19 shall be held in quarantine while on campus and further prevented from being on campus until it is

medically safe for them to return. Students who are unable to be on campus as a result of COVID-19 shall continue to receive instruction.

Decisions concerning school closure, whether full or partial, shall be made in consultation with local health officials and in accordance with state guidelines.

Annual notification shall be provided to parents advising them of health and safety requirements for students to return to school campuses. Parents, teachers, and staff shall receive training and information on COVID-19 and preventative practices.

It is the policy of the Board of Education that all teachers and staff shall be responsible for ensuring adherence to the policies and administrative regulations of the district for the safe reopening and operation of schools consistent with all laws, regulations, policies, and collective bargaining agreements.
